Tuesday, 13 November, 8pm
Ramsden Room

4. Ordinary Motions
5. Any Other Business

The Open Meeting will be immediately followed by Hustings for the MCR By-Election.

MOTIONS

The following motions have been received and will be considered at the Open Meeting:

1. That the MCR take steps to provide a small number of lockers on the college site, perhaps against one wall in the coatroom area, that can be rented out on a yearly basis, thus eventually covering and surpassing costs.
2. That the Constitution of the MCR be modified, so that the composition of the full MCR Committee returns to having two Social Secretaries of equal remit, as opposed to one Social Secretary and one Events Officer.

GENERAL INFORMATION

All MCR members are encouraged to attend and vote at the open meeting. This is the big chance of the Term to be informed on key MCR issues, have your say on the motions and other matters, and generally for everyone to combine in steering the MCR in the best direction for its members.

Straight after the open meeting will be the hustings for the by-election; where you will be able to hear from the candidates, and question them on their intentions.

Refreshments will be provided throughout.
